

T.E. Smith & Son offers a complete line of cut to order sheet metal products and custom fabricated ductwork at low prices.

Simply give us a list of your fabrication needs and we will prepare a proposal based on your materials list. If you should accept the proposal, we will fabricate your order according to your specifications, label each item and have the order waiting for you to pick up.

You also have the option of assembling duct and fittings or having us do it for you. No more buying prefabricated duct that is sized only from what the wholesaler has in stock.

No job is too big or too small.

We can make your jobs more profitable for you.

For your convenience we accept Visa and MasterCard.
